

(12) Have adequate criteria for hiring and qualifying surveyors and technical staff;

(13) Have an adequate program for continued training of surveyors and technical staff;

(14) Have a corporate office in the United States that provides a continuous management and administrative presence;

(15) Maintain an internal quality system based on ANSI/ASQC Q9001 or an equivalent quality standard;

(16) Determine classed vessels comply with class rules, during appropriate surveys and inspection;

(17) Determine that attended vessels comply with all statutory requirements related to delegated functions, during appropriate surveys and inspection;

(18) Monitor all activities related to delegated functions for consistency and required end-results;

(19) Maintain and ensure compliance with a Code of Ethics that recognizes the inherent responsibility associated with delegation of authority;

(20) Not be under the financial control of shipowners or shipbuilders, or of others engaged commercially in the manufacture, equipping, repair or operation of ships;

(21) Not be financially dependent on a single commercial enterprise for its revenue;

(22) Not have any business interest in, or share of ownership of, any vessel in its classed fleet; and

(23) Not be involved in any activities which could result in a conflict of interest.

(b) Recognition may be granted after it is established that the classification society has an acceptable record of vessel detentions attributed to classification society performance under the Coast Guard Port State Control Program.

§ 8.240 Application for recognition.

(a) A classification society must apply for recognition in writing to the Commandant (G-MSE).

(b) An application must indicate which specific authority the classification society seeks to have delegated.

(c) Upon verification from the Coast Guard that the conditions of reciproc-

ity have been met in accordance with § 8.120, the requesting classification society must submit documentation to establish that it meets the requirements of § 8.230.

§ 8.250 Acceptance of standards and functions delegated under existing regulations.

(a) Classification society class rules will only be accepted as equivalent to Coast Guard regulatory standards when that classification society has received authorization to conduct a related delegated function.

(b) A recognized classification society may not conduct any delegated function under this title until it receives a separate written authorization from the Commandant to conduct that specific function.

§ 8.260 Revocation of classification society recognition.

A recognized classification society which fails to maintain the minimum standards established in this part will be reevaluated and its recognized status revoked if warranted.

Subpart C—International Convention Certificate Issuance

§ 8.300 Purpose.

This subpart establishes options for vessel owners and operators to obtain required international convention certification through means other than those prescribed elsewhere in this chapter.

§ 8.310 Applicability.

This subpart applies to:

(a) Recognized classification societies; and

(b) All U.S. flag vessels that are certificated for international voyages and are classed by a recognized classification society that is authorized by the Coast Guard to issue the applicable international certificate as specified in this subpart.

§ 8.320 Classification society authorization to issue international certificates.

(a) The Commandant may authorize a recognized classification society to issue certain international convention

§ 8.330

certificates. Authorization will be based on review of:

- (1) Applicable class rules; and
- (2) Applicable classification society procedures.

(b) The Coast Guard may delegate issuance of the following international convention certificates to a recognized classification society:

- (1) International Load Line Certificate;
- (2) International Tonnage Certificate (1969);
- (3) SOLAS Cargo Ship Safety Construction Certificate;
- (4) SOLAS Cargo Ship Safety Equipment Certificate;
- (5) International Certificate of Fitness for the Carriage of Dangerous Chemicals in Bulk;
- (6) International Certificate of Fitness for the Carriage of Liquefied Gases in Bulk;
- (7) International Maritime Organization (IMO) Mobile Offshore Drilling Unit Safety Certificate;
- (8) MARPOL 73/78 International Oil Pollution Prevention Certificate; and
- (9) MARPOL 73/78 International Oil Pollution Prevention Certificate for the Carriage of Noxious Liquid Substances in Bulk.

(c) The Coast Guard will enter into a written agreement with a recognized classification society authorized to issue international convention certificates. This agreement will define the scope, terms, conditions and requirements of that delegation. Conditions of these agreements are presented in § 8.130.

§ 8.330 Termination of classification society authority.

(a) The Coast Guard may terminate an authorization agreement with a classification society if:

- (1) The Commandant revokes the classification society's recognition, as specified in § 8.260; or
- (2) The classification society fails to comply with the conditions of the authorization agreement as specified in § 8.130.

(b) In the event that a flag administration of a country changes conditions related to the authority that is delegated to ABS, the Commandant may modify or revoke the Coast Guard's au-

thorization of that classification society that has its headquarters in that country.

(c) Certificates issued by a classification society which has had its authorization terminated will remain valid until the next classification society survey associated with that certificate is required or until the certificate expires, whichever occurs first.

Subpart D—Alternate Compliance Program

§ 8.400 Purpose.

This subpart establishes an alternative to subpart 2.01 of this chapter for certification of United States vessels.

§ 8.410 Applicability.

This subpart applies to:

(a) Recognized classification societies; and

(b) U.S. flag vessels that are certified for international voyages and are classed by a recognized classification society that is authorized by the Coast Guard to participate in the Alternate Compliance Program (ACP) as specified in this subpart and whose vessel type is authorized to participate in the ACP per the applicable subchapter of 46 CFR chapter I.

§ 8.420 Classification society authorization to participate in the Alternate Compliance Program.

(a) The Commandant may authorize a recognized classification society to participate in the ACP. Authorization will be based on a satisfactory review of:

- (1) Applicable class rules; and
- (2) Applicable classification society procedures.

(b) Authorization for a recognized classification society to participate in the ACP will require development of a U.S. Supplement to the society's class rules that meets the requirements of § 8.430 of this part, which must be accepted by the Coast Guard.

(c) A recognized classification society will be eligible to receive authorization to participate in the ACP only
